ACTION ALERT- Americans Against Hate's Joe Kaufman and America's Truth Forum founder Jeffery Epstein will be speaking at a Rally to demand that US Law Enforcement track down connections between Islamic Circle of North America, and the Muslim American Society. In a recently published Frontpage article, (<http://www.frontpagemag.com/Articles/ReadArticle.asp?ID=28316>) Kaufman details the financial connections between the ICNA the MAS through Jamaat-e-Islami to HAMAS. All concerned citizens who are able should join them in Hartford Connecticut to protest at the 32nd annual ICNA-MAS conference. Demand that the US government gets serious about cracking down on these non-charities which provide financial life blood to the murderers of HAMAS, and also demand the government designate JI, also known as the Pakistan Muslim Brotherhood, as terrorist organization.

6. Become A CAIR-Watcher!

VOLUNTEER- Americans United Against Hate, is looking for researchers to help with researching CAIR members. From AUAH President Joe Kaufman:

We're in need of volunteers to do research for our CAIR Watch profiles page, which is found at http://www.americansagainsthate.org/cw/profiles_cw.php Understand that these profiles have helped assist with litigation and law enforcement, so any work you contribute to it is of the utmost in importance. I cannot stress that enough. Those interested MUST BE PROFICIENT in performing research on the web, Google and otherwise. The task entails researching CAIR related individuals (which you will be assigned) and researching the organizations and individuals they are affiliated with. It will entail listening to, and possibly transcribing, audio and/or video related to the individual. It will entail looking through PDFs, reading through entire blogs, researching corporations, researching real estate owners, researching "who is" details from website addresses, researching "My Space," signed petitions, etc. It will entail exhausting every possible avenue.

Those interested can contact info@americansagainsthate.org for more information.

The following countries will be represented:

Britain, France, The Netherlands, Germany, Denmark, Sweden, Italy, Spain, Greece, India, Australia, and the USA. Search your blogrolls for your favorite blogsites which focus on the Islamist threat, and forward them to Baron@vigilantfreedom.com.

8. Iraqi Christians in New Zealand Call Attention to Christian Oppression in Iraq

UPDATE- Iraqi Christians in New Zealand held a Mass and March June 15th, calling for world attention to be focused on the plight of Christian Iraqis. Relatives tell Chaldean Kiwis of kidnappings and forced conversions:

Recently there have been abductions for the purposes of forced conversions to Islam. There has been a concentrated regime of harassment of Christian women and girls the forced wearing of the hijab (head covering). Christians have also come under attack by Kurdish militias in the north, including Mosul and Kirkuk, where Kurds have clashed frequently with Arabs and other minorities as they have tried to extend their control to "Arabized" areas, which they consider to have been traditionally Kurdish.

9. CAIR Attacks Cal Thomas

ACTION ALERT- CAIR is going after Cal Thomas at WTOP Radio, claiming "incitement" for remarks made in response to the Glasgow and London Car bombing attacks. For audio of the remarks:

http://www.cair.com/audio/Terrorism_Questions_Need_Answers.mp3

Just another attempt by the unindicted co-conspirators to squelch free speech.

Write the Station and tell them you appreciate frank talk on the Islamist threat.

13. Appeals Court Vacates Ruling Against Wiretapping

UPDATE- Excellent News from Detroit, as a federal appeals court ruled 2-1 that plaintiffs (Muslim and Arab groups) could not prove harm by the Wiretapping program conducted by the NSA. (

<http://www.freep.com/apps/pbcs.dll/article?AID=/20070706/NEWS06/70706033/0/ENT06>)

The ruling does not sit well with everyone's favorite unindicted co-conspirators:

Dawud Walid, head of the Michigan branch of the Council on American Islamic Relations, one of the co-plaintiffs, said: "It's a shame that the court overturned the decision... what the executive branch was doing was unconstitutional."

A battle won for our side, but the war goes on:

[Michigan ACLU Head Kary] Moss said they are considering appealing the decision to the U.S. Supreme Court.

ACTION ALERT- We need volunteers to attend the US Department of Justice Seminar “Federal Laws Protecting Religious Freedom” in Brooklyn on July 26.
