**1. Donation Update**

Good news! The Center for Vigilant Freedom has received a contingent pledge from a benefactor of \$70,000, to be paid in six equal payments over six months. This is not dependent on our receiving our 501c3 status, which is still pending

from the IRS. Projects will be shared between the U.S./Canada and Europe. The CVF Board is preparing project plans in the following areas, based on your suggestions over the last few months in the forum and email exchanges:

1. Infrastructure
2. Legislative clearinghouse (national, state, province and local governments) – defense & offense
3. Political coalition building (national, state, province and local governments)
4. International alternative media network

We hope that you will be interested in working on these projects. We are looking for part-time contractor assistance for each project area in the U.S. and in Europe, both to do most of the project work and to work with volunteer staff and our many coalition partners. If you are interested in helping on these projects either as a hard-working underpaid contractor (for really low fees - \$70,000 doesn't go far in four project areas across two continents over six months) or as a volunteer, please send your resume, or an email with contact information and a description of your interests, background and skills, to [christine@vigilantfreedom.com](mailto:christine@vigilantfreedom.com) , with the subject heading "CVF Projects".

We'll report progress on all these areas each week in the newsletter. If you can assist by matching these funds, your donation will build on this "seed money" to help the Center for Vigilant Freedom grow. Your partnership is key to our survival over the next year, and we welcome any and all donations at <http://www.vigilantfreedom.org/donate.html> .

The next phase in our fight against Islamisation is just beginning.

### **5. Become A CAIR-Watcher!**

VOLUNTEER- Americans United Against Hate, is looking for researchers to help with researching CAIR members. From AUAH President Joe Kaufman:

We're in need of volunteers to do research for our CAIR Watch profiles page, which is found

at [http://www.americansagainsthate.org/cw/profiles\\_cw.php](http://www.americansagainsthate.org/cw/profiles_cw.php) Understand that these profiles have helped assist with litigation and law enforcement, so any work you contribute to it is of the utmost in importance. I cannot stress that enough. Those interested MUST BE PROFICIENT in performing research on the web, Google and otherwise. The task entails researching CAIR related individuals (which you will be assigned) and researching the organizations and individuals they are affiliated with. It will entail listening to, and possibly transcribing, audio and/or video related to the individual. It will entail looking through PDFs, reading through entire blogs, researching corporations, researching real estate owners, researching "who is" details from website addresses, researching "My Space," signed petitions, etc. It will entail exhausting every possible avenue.

Those interested can contact [info@americansagainsthate.org](mailto:info@americansagainsthate.org) for more information.

Protesters rallied to demand that the U.S. government shut down the organization and freeze its accounts.
