## ALERTS

### 1. Brussels Protesters Met with Police Brutality

Protesters from all over Europe arrived in Brussels to protest the Islamisation of Europe and Belgium's violations of free speech. Despite assurances from Belgian police that peaceful demonstrators would be left alone, Police began to carry out aggressive and arbitrary arrests. Baron Bodissey provided live-blogging with help from CVF members Aeneas and Flyboy as well as Paul Belien of the Brussels Journal. (<http://www.vigilantfreedom.org/910blog/2007/09/11/arrests-in-brussels/>)

As the day wore on, shocking pictures, videos and personal accounts began to emerge:

The self restraint of protestors was remarkable, and despite the difficult circumstances and the mayor of Brussels' illegitimate ban, the message has gotten through. In a Washington Times Opinion Piece, Diana West had this to say:

(<http://washingtontimes.com/apps/pbcs.dll/article?AID=/20070914/EDITORIAL04/109140007/1013/EDITORIAL>)

"The story of the week wasn't Gen. David Petraeus' testimony on Iraq, although it dominated the headlines. The story of the week wasn't the sixth return of September 11 since the jihad atrocity of 2001, although it inspired many public statements and ceremonies. The week's biggest story garnered little press and few comments. But, in a significant way, this overlooked story — an outrageous display of police force in Brussels on September 11, 2007 — symbolizes the missing link in our flawed comprehension of both Iraq and September 11... The assembly, sponsored by Stop the Islamization of Europe, was wholly peaceful — at least until Belgian police showed up. With a chopper above, water cannon nearby, they didn't break heads, exactly — nothing so kind as that. In a photo that should be titled The New Face of Fascism ([brusselsjournal.com http://www.brusselsjournal.com/node/2441](http://www.brusselsjournal.com/node/2441)), we see black-clad Belgian policemen brutalizing a man in a light-colored suit and tie. His hands are cuffed behind his back, his right elbow is clasped in what is known as an arm-bar hold, and he is also being subjected to a genital hold — a vicious grip that, a retired cop friend of mine tells me, would get any American policeman thrown off the force."

If you were detained or arrested while in Brussels and need legal assistance, you can contact Coveliers & Coveliers Advocaten at [hugo@coveliers.be](mailto:hugo@coveliers.be), lawyer for demonstration participants Vlaams Belang, with your story. A big thank you is in order to all those who made the trip to Brussels.

## 2. Islam Day Parade Counter Protests

The New York Contingent of the United American Committee, and Americans Against Hate, helped organized two protests along the route of the Islamist dominated American Muslim Day Parade September 9<sup>th</sup>. Great coverage of the events from Atlas Shrugs: ([http://atlasshrugs2000.typepad.com/atlas\\_shrugs/2007/09/the-islamists-d.html](http://atlasshrugs2000.typepad.com/atlas_shrugs/2007/09/the-islamists-d.html)) and The Urban Infidel: (<http://urbaninfidel.blogspot.com/2007/09/muslim-day-parade.html>) both of whom have lots of photographs and videos, including some brilliant signs and posters and photos exposing the pro-jihadist materials available for sale just blocks from Ground Zero. The counter protests marked the inflammatory decision to hold the parade just days before the anniversary of 9/11, when it was previously held in the last weeks of September. Thanks to everyone who attended.

### 3. Fight Brewing over Voting While Veiled in Canada

Canadian Sentinel reports of a building constitutional struggle over a Canadian law which would allow individuals to vote while not showing their face. Detailed analysis of the situation is available here: <http://thecanadiansentinel.blogspot.com/2007/09/harper-stands-against-state-apparatus.html> :

"Now, it appears that Parliament will have to get a little more specific and address the issue of whether people can wear a veil, burka, ski mask, goalie mask, Mickey Mouse mask, a scuba mask, a gas mask, an Osama bin Laden mask, a Mohammed mask, clown makeup, Gene Simmons' KISS makeup, a nylon stocking, etc... over their faces when presenting themselves to the polling station officials..."

With an update here: <http://www.vigilantfreedom.org/910blog/2007/09/12/canadian-govt-ready-to-make-new-law-re-voting-while-veilled/> For our Canadian readers, CS had this suggestion:

"Perhaps a few brave folks will test the Elections Canada ruling's constitutionality by showing up with faces covered this coming Monday, thus forcing polling station officials to decide whether to only exempt Muslim women from showing their faces or if it applies to all people. Unfortunately, Elections Canada's ruling marches to its own drummer and specifies that the ruling applies in terms of "religious requirements" and refers to the "elector" (voter) as a female while, interestingly, referring to "another elector" as either male or female. It's clearly far more narrowly-defined than the actual Parliamentary legislation passed this past spring."

Citizens who don't have their Halloween costumes ready yet, can instead complain to Elections Canada, through this Email Comment Form: <http://www.elections.ca/cour.asp?textonly=false&lang=e>

Or by writing to:

#### 4. Path to 9-11 Censored

Despite airing on television in a well received program on ABC last year, the acclaimed documentary "The Path to 9-11" remains unavailable for purchase on DVD, despite the efforts of its writer/director. The United American Committee is joining a campaign to help release the film, which appears to be blocked for political reasons. ([http://www.unitedamericancommittee.org/path\\_campaign.htm](http://www.unitedamericancommittee.org/path_campaign.htm)):

"Please contact the following, and we ask that you please remain tactful and polite when requesting that they release the film 'The Path to 9-11' on DVD. Even if you have not seen it, that is all the more reason to contact them because you wish to see it made available:

E-mails of key people at Disney/ABC:

[Robert.A.Iger@disney.com](mailto:Robert.A.Iger@disney.com) (CEO of Disney)

[stephen.mcpherson@abc.com](mailto:stephen.mcpherson@abc.com) (president of abc network)

[quinn.d.taylor@abc.com](mailto:quinn.d.taylor@abc.com) (the responsible exec)

[Mark.A.Pedowitz@abc.com](mailto:Mark.A.Pedowitz@abc.com) (president of touchstone tv)

[zenia.mucha@disney.com](mailto:zenia.mucha@disney.com) (corporate publicity)

Also, the Disney switchboard line can connect you to the offices of any of the individuals listed above. The switchboard phone is: (818) 560-1000. Do not delay! Contact the above today and urge them to release the DVD! Every e-mail sent can make the difference."

Tell Disney/ABC that consumers want the ability to see this important, historical, award winning film.

#### 5. Leftist Group Chastised for "BetrayUs" Ad

The Far left pro-surrender group MoveOn.org is facing increased criticism over its decision to release a full page New York Times ad accusing General David Petraeus of betrayal. A wide swath of politicians has come out to condemn the libel. <http://www.vigilantfreedom.org/910blog/2007/09/10/moveonorgs-counter->

[surge-terrible-failure-quagmire/](#). In addition, attention is focused on the New York Times, investigating whether FEC regulations were violated due to the reported discount the group received for the Ad.

Pro-victory group Freedom's Watch, has released an ad condemning the special treatment:

(<http://www.vigilantfreedom.org/910blog/2007/09/13/keeping-moveon-on-the-ropes/>.)

The video is available for viewing on You tube at: <http://youtube.com/watch?v=RNPpy2DDrjU>

Call 1-877-222-8001 to speak to your member of Congress and let them know you expect your elected officials not to associate with those who make outrageous statements or who put politics above the nation's chance for victory. Than go over to Victory Caucus, and sign the petition at <http://victorycaucus.com/standbythemission>.

### 12. Stop The Madrassa Seeks Funds for Legal Action

(From STM): Thank you all for your messages of support and offers of assistance - your help is so important in pressuring the NYC authorities to close this Islamist school.

We continue with the next steps in our appeal from the non-compliance with Section 3(a) of the Freedom of Information Act to our FOIL Request (NYCDOE FOIL Request number 5281) by the City of New York Department of Education and by the New York State Education Department.

The letter is here: [http://stopthedrassa.files.wordpress.com/2007/08/foil\\_appeal\\_letter.pdf](http://stopthedrassa.files.wordpress.com/2007/08/foil_appeal_letter.pdf) and the original FOIL request is here: [http://stopthedrassa.files.wordpress.com/2007/07/letter\\_foil-req-to-gov-spitzer-mayor-bloomberg-et-al-re-kgia-fin.pdf](http://stopthedrassa.files.wordpress.com/2007/07/letter_foil-req-to-gov-spitzer-mayor-bloomberg-et-al-re-kgia-fin.pdf)

We anticipate that the NYCDOE will contest our appeal. Any donations you can provide will help pay for the legal fees needed to help fight this appeal to force the City to disclose the actual textbooks, curricula, lesson plans etc. that will be used in the Khalil Gibran International Academy, and to educate the public on the real risks of allowing Islamist curricula into our public schools. If the school is allowed to open, we'll pursue other legal strategies. Please help with our anticipated legal costs and the ongoing costs to educate the people of NYC about the madrassa in their midst. Our new Donations page is here: <http://stopthedrassa.wordpress.com/donations/>. If we have to conduct more than one appeal, we will need a legal war chest, so we are reaching out to the donor community of NYC for help.

### 13. Become a CAIR Watcher

Americans United Against Hate, is looking for researchers to help with researching CAIR members. From AUAH President Joe Kaufman:

"We're in need of volunteers to do research for our CAIR Watch profiles page, which is found at [http://www.americansagainsthate.org/cw/profiles\\_cw.php](http://www.americansagainsthate.org/cw/profiles_cw.php) Understand that these profiles have helped assist with litigation and law enforcement, so any work you contribute to it is of the utmost in importance. I cannot stress that enough. Those interested MUST BE PROFICIENT in performing research on the web, Google and otherwise. The task entails researching CAIR related individuals (which you will be assigned) and researching the organizations and individuals they are affiliated with. It will entail listening to, and possibly transcribing, audio and/or video related to the individual. It will entail looking through PDFs, reading through entire blogs, researching corporations, researching real estate owners, researching "who is" details from website addresses, researching "My Space," signed petitions, etc. It will entail exhausting every possible avenue."

Those interested can contact [info@americansagainsthate.org](mailto:info@americansagainsthate.org) for more information.

But we need your help. If you want to do more, we could use your help more directly. We're looking for bloggers / activists to serve as state coordinators to keep track of what's going on in each state, network with other pro-victory individuals and organizations, and coordinate local activities. If you have some time and are interested, please drop N.Z. a line ([nz@victorycaucus.com](mailto:nz@victorycaucus.com)).
